

New York City Blues

The Yardbirds

If you've ever been to New York City,
You know what I'm talking about,
Yes you do.

Well, if you've ever been to New York City,
You know what I'm talking about,
They got such pretty little girls in that big town,
Make a man want to jump around and shout.
I met a little girl there,
She was about five foot eight.

I said
