

## The Other Girl

The Young Veins

Don't wait around for love  
You're not what he's thinking of  
When he's with the other girl

Don't bother waiting up 'cause he  
He's not where he's supposed to be  
When he's with the other girl  
When he's with the other girl

You, you were right  
I was wrong  
Like I always am  
And you always are

You were right  
And I was wrong  
Like I always am  
And you always are

Don't have much to say right now  
'Cause I'm trying to figure out  
Why he's with the other girl

Life is not a fairytale  
They will send him straight to jail  
Where he'll die and go to hell  
With the other girl, with the other girl

You, you were right  
I was wrong  
Like I always am  
And you always are
