A Rose for Emily

The Zombies

The summer is here at last The sky is overcast And no one brings a rose for Emily

She watches her flowers grow While lovers come and go To give each other roses from her tree But not a rose for Emily...

Emily, can't you see (how the sun is shining again) There's nothing you can do? There's loving everywhere But none for you...

Her roses are fading now She keeps her pride somehow That's all she has protecting her from pain

And as the years go by She will grow old and die The roses in her garden fade away Not one left for her grave Not a rose for Emily...
