

# Don't Go Away

The Zombies

Day comes, sun comes  
Climbs the other side of the hill  
Day light and the new light  
Comes climbing up the hill

Don't go away  
Don't take your love with the night  
Don't go away  
With the night, please stay

Through the night I can feel you love me  
I know I believe it  
I want to hold you tight  
While the warmth of the night surrounds us  
I want night to last forever  
I know you'll go  
Of the first light  
Of the day comes into sight  
You'll go from me

Through the night you'll temper my feeling  
Hold me to you  
I know you love me real  
But the day I can't feel so sure

I want the night to last forever  
I know you'll go

From the first light of the day  
Comes into sight  
You'll go from me

Day comes, sun comes  
Climbs the other side of the hill  
Day light and the new light  
Comes climbing up the hill

Don't go away  
Don't take your love with the night  
Don't go away  
With the night, please stay

Don't go away  
Don't go away  
Don't go away  
Don't go away
