

## Imagine The Swan

The Zombies

Well I have a picture in color of you  
And it's there in my room to remind me of you  
So it was with surprise that I saw you today  
And I did not recognize you, girl, what more can I say?

For the colors are gone  
You've become kind of gray  
And you're not like the swan  
That I knew yesterday...

Now the pictures are wrong  
You've become kind of gray  
I imagine the swan  
That you were yesterday...

The sadness that I felt was hard on my eyes  
And the truth on my face was hard to disguise  
So I let you walk by  
I turned out of your way  
And I tried to close my eyes  
And let the sadness fall away...

For the colors are gone  
You've become kind of gray  
And you're not like the swan  
Imagine The Swan  
That I knew yesterday...

Now the pictures are wrong  
You've become kind of gray  
I imagine the swan  
That you were yesterday...
