

# Nothing's Changed

The Zombies

It's a mistake going back  
They tell me that nothing's the same ever again  
But when you walked through the door  
It was just like before  
Oh, nothing's changed, no

When I saw you again, little girl  
Something stopped here inside  
And I wanted to hold you  
And tell you, I loved you just like before

Oh, oh  
This is just one day  
But one day is enough to start all over again  
Give me just one day  
And we will begin all over again

You didn't mean to hurt me before  
But you did, you did  
But now you're sorry now, I know

Oh you're sorry, I can see  
'Cause when you saw me again  
You smiled at me then  
Like nothing's changed, no

It's gonna be easy this time, I know, I know  
Come on, just try me one more time  
I know it's gonna work out just fine  
Start all over, start all over again
