

What More Can I Do

The Zombies

What more can I do
You know I'd gladly loose myself to you
But something always holds me back
I wish I knew what it is that stops me from loving you
The way it should be
Oh, oh, oh

What more can I do
I'm trying hard, I know I could believe in you
But something always keeps a hold on me, and just won't let me
go
Such a burning bully inside
While I'm trying to hide that I want you to own me, own me
Oh -oh, oh, yeah

What more can I say, I've said it all now
Got such a lot to loose and price to pay
If you ignore me, what more can I do
(What more can I do)
Oh
What more can I do
(Oooh)
Oh
What more can I do
