

You Make Me Feel Good

The Zombies

You don't need any reason, do you baby?
Surely you should know that by now
But if you need a reason, I'll give one to you
You make me feel good, you make me feel good

I don't need any reason when I hold you
I never do ask myself why
But if you need a reason, I'll give one to you
You make me feel good, you make me feel good

So good, so good, don't have to justify
Why I feel so good, so good, so good
Never thought could be so good to me

But if you need a reason, I'll give one to you
You make me feel good, you make me feel good

So good, so good, don't have to justify
Why I feel so good, so good, so good
Never thought could be so good to me

You don't need any reason, do you baby?
Surely you should know that by now
But if you need a reason, I'll give one to you
You make me feel good, you make me feel good
