Commute

Theatre of Tragedy

Mobile phones Commuter trains The Terminus is full of men Crisscross network Zigzag railway The next stop is Waterloo White-collar timetable 9 to 5 urban robot Standby, I'm on a trip with you Standby, I thought it lasted through Standby, I'm on a trip with you It's more fun to commute Take the Tube Take the M25 There's traffic jam all around Double-decker A fare to Chequers To tell about my points of view Standby, I'm on a trip with you Standby, I thought it lasted through Standby, I'm on a trip with you It's more fun to commute Public transport No need for comfort It's all so and so, touch-and-go Pass a train wreck Call the tube-tech I'll make it to work some other day White-collar timetable 9 to 5 urban robot Standby, I'm on a trip with you Standby, I thought it lasted through Standby, I'm on a trip with you It's more fun to commute He pulls She pushed I read the papers in the transit lounge I dial the number

Now I'm certain I'll make it home some other day
