

# Radio

## Theatre of Tragedy

Electric broadcast  
The new transmission waves  
Turn the dial  
Transistor radio  
The deadpan voice I want to hear  
Recieve the news  
Recieve the tunes  
We've tuned in to the ether melody  
It's bright and clear and full of energy  
Music won't stop  
Electro pop  
Commercial workshop  
I want your time, I need your time to make a rhyme

On the radio now  
Ether melody news  
For you and me

Antennae beaming sound, news and speech  
Marconi's words  
'Let it be so'  
Apparatus signal it out  
Information  
Communication  
We're in the building of the wireless voice  
Static morse  
Radar, television  
The interference  
Incoherence  
Scrambled signals  
I want your waves  
Spectral sound  
Tune in, tune out

On the radio now  
Ether melody news  
For you and me

Radio for you and me  
The airwaves are fully free  
Radio for you and me  
Oscillating energy

On the radio now  
Ether melody news  
For you and me
