

Butterfly

Theatres Des Vampires

I didn't let you go
In the midnight sun
And I lose my mind
And still I may go

You didn't leave me
In purple dreams
What was I strong ?
And the time is gone...

It's gone ... (4x)

When the mud is glowing
Don't let me go
When the wind is blowing
Don't let me go

I didn't let you go
To the end of times
Like a butterfly
In the stream I lie

In a maze, my eyes
Like an atmosphere
In other days
And the day is gone

It's gone ... (4x)

When the mud is glowing
Don't let me go
When the wind is blowing
Don't let me go
When the rain is falling
Don't let me go
When the moon is fading
Don't let me go
