

## Forever in Death

Theatres Des Vampires

A mournful wind  
A gloomy sign  
For my eternal sleep  
Under the ground  
Under the life  
The darkest symphony

Unholy tears  
Lay down with me  
Frozen inside my heart  
One more time  
Just one more time  
The past is dim and far...

An awful dream  
Carved in my soul

Forever and ever  
Death plays with me  
Together forever  
She plays with me

(They) don't understand  
Her poisoned touch  
A kiss of blood and death  
Her pale white skin  
A frozen scream  
That wakes my wrath again

An awful dream  
Carved in my soul

Forever and ever  
Death plays with me  
Together forever  
She plays with me

Forever in death... with me  
I reborn again from life  
From flesh again... I rise  
I reborn again. I rise again

Forever and ever  
Death plays with me  
Together forever  
She plays with me
