

# Never Again

Theatres Des Vampires

I miss your skin  
I miss your hands on me  
In my bed your scent

But as a dream it fades away  
I scream your name  
I cry my tears again

I need you  
Love and pain  
Wonder and desire  
I need you  
Love and pain  
Never never again

Never again  
Stop my pain

Your lies in my head  
Your silence on my heart  
I feel your breath

All my thoughts are  
Breaking down  
Far away from you  
Far away from me  
Again

I need you  
Love and pain  
Wonder and desire  
I need you  
Love and pain  
Never never again
