

Sangue

Theatres Des Vampires

I have no tears,
No sense of shame no sense of time
I taste your blood,
don't stop my lust
Don't blame me now,
my sins they are my only crimes
I rise from dusk and by dawn I die

Not Your Love
Not Your Soul"
Not Your Rules
And self control
It's my pleasure... My desire
I want Your blood tonight...tonight
Blut, Blood, Sangre, SANGUE!

Couse this life is short,
in an empty room my mortal game
I denied the laws of light...
Couse you made your choice
In this silent place you can't escape
I hold you... in this embrace.

Inside your fears
No more redemption no more time
I lay you down don't stop me now
No heaven here
Your senses are under my will
I bring you down and you will die.
