

## Sangue

Theatres Des Vampires

I have no tears,  
No sense of shame no sense of time  
I taste your blood,  
don't stop my lust  
Don't blame me now,  
my sins they are my only crimes  
I rise from dusk and by dawn I die

Not Your Love  
Not Your Soul  
Not Your Rules  
And self control  
It's my pleasure... My desire  
I want Your blood tonight...tonight  
Blut, Blood, Sangre, SANGUE!

Couse this life is short,  
in an empty room my mortal game  
I denied the laws of light...  
Couse you made your choice  
In this silent place you can't escape  
I hold you... in this embrace.

Inside your fears  
No more redemption no more time  
I lay you down don't stop me now  
No heaven here  
Your senses are under my will  
I bring you down and you will die.
