

The Gates of Hades

Theatres Des Vampires

I'm dead ...
Another life is gone
Kissed by the poison of time
When they come... than we go...
We can't stay one day...one more...
All the thoughts ,all the pain,
All the joys must fade away
The secrets gates of hades
Welcome where hearts are fading
And dreams are lost and far away
...the beauty is lost day by day
The feral ladies are coming
Murmuring..an ancient litany
When they come and they call
They sweep away the souls
All the thoughts ,all the pain,
All the joys... must fade away
Mors ultima linea rerum est..
