

Two Seconds

Theatres Des Vampires

Two seconds to realize your pain
Two seconds it's more that what you say
Two seconds the hell is in your life
Two seconds, two seconds

This is the life
Open up your eyes
The life...
Open up your eyes

Two seconds to live your life again
Two seconds it's less that what you say
Two seconds time is running fast
Two seconds, two seconds

This is the life
Open up your eyes
The life...
Open up your eyes

Tick tack, tick tack... this is the life...
