

# Upon the Darkest Mountain

Theatres Des Vampires

Upon the darkest mountain  
Appears all the spirit of the night  
Where the light has sorrow  
Maybe a day he'll reach

Born from the dark  
Living in a land of horrors  
Laying in a bier  
Blood and pleasure

Vampires, creatures, demons..., at the gates  
Spirits..., we are come  
To stay in this land of tears

[...]  
We enjoy this land of blood and tears !

Upon the darkest mountain  
Carpathian spells  
Walpurgis night  
Black Sabbath... Sabbath !
