### Theatres Des Vampires

This night...I feel your breath  
This night...I hear your voice  
This night...I feel your breath  
This night...I hear your voice

When you walk my dark path,  
love like a bloodbath  
Other vision...other eyes  
a vampiric sado-enchantment (2x)

VAMPYRICA (2x)

Your pain...you don't want this  
You want...you want another life  
When you walk my dark paths,  
love without heart  
Other life, other power,  
a vampiric transformation

Your pain...you don't want this  
You want...you want another life (2x)

When you walk my dark paths,  
love without heart  
Other life, other power,  
a vampiric transformation (2x)

When you walk my bloodpath,  
love like a bloodbath  
When you walk my dark path,  
love without heart

VAMPYRICA

When you walk my bloodpath,  
love like a bloodbath  
When you walk my dark path,  
love without heart (2x)
