Theatres Des Vampires

This night...I feel your breath
This night...I hear your voice
This night...I feel your breath
This night...I hear your voice

When you walk my dark path,
love like a bloodbath
Other vision...other eyes
a vampiric sado-enchantment (2x)

VAMPYRICA (2x)

Your pain...you don't want this
You want...you want another life
When you walk my dark paths,
love without heart
Other life, other power,
a vampiric transformation

Your pain...you don't want this
You want...you want another life (2x)

When you walk my dark paths,
love without heart
Other life, other power,
a vampiric transformation (2x)

When you walk my bloodpath,
love like a bloodbath
When you walk my dark path,
love without heart

VAMPYRICA

When you walk my bloodpath,
love like a bloodbath
When you walk my dark path,
love without heart (2x)
