

Walpurga's Night

Theatres Des Vampires

Upon the darkest mountain
Appears all the spirit of the night
Where the light has sorrow
Maybe a day he'll reach

Born from the dark
Living in a land of horrors
Laying in a bier
Blood and pleasure

Vampires, creatures, demons... At the gates

Spirits... We are come
To stay in this land of tears

Upon the darkest mountain
Carpathian spells
Walpurgis night
Black Sabbath... Sabbath!!!!
