

## Second Date

Thee Oh Sees

saw you go home late last night  
checked the front door, it was locked up tight  
so i went around to have myself a little look  
snuck in through your kitchen door  
grabbed a knife from the top left drawer  
you're at my feet again, but baby, you are no more  
you let our your last breath  
told me that i was the best, but please, no more  
but please, no more. baby, you're getting more
