

## The Master's Bedroom Is Worth Spending A Night In

Thee Oh Sees

say the word disappear  
time to go, in the clear  
make a flip, be sincere  
i don't want to  
lay in the dirt and fade  
i just have to say, hey  
i don't want to go without you  
blow the dust off my grave  
it's early, not too late  
zip up let's leave this place
