At the center of my heart there sits a throne That the rightful occupant's not always free to call His own
For how can I give the King
His place of worth above all else
When I spend my time striving
to place the crown upon myself?

Battle cry, to engage
for the war, set the stage
and armies march and kings arise
for the choice, the time has come
mine or thy will be done?
and the pain reflects in holy eyes
for the will to obey
for the night to the day
and the seasons change and rulers die
not of flesh, not of men
wage the war deep within
on and on uit rages undenied

I TAKE MY CROWN AND CAST IT DOWN
CASTLES BURNING
CASTLES BURNING
LEARN TO GROW, GROW TO BE
A FLESH AND BLOOD THEOCRACY
TO TAKE THE LOSS AND BEAR THE CROSS
RAISE THE KINGDOM
RAISE THE KINGDOM
BURN AWAY ALL IVE BEEN
TO RESURRECT THEOCRACY WITHIN

and the would-be rulers of my heart that I place upon the throne each lead the kingdom of my life to ruin to bring every though into submission to tear the idols down is to break the chains, to rearrange, to give the king his crown

I TAKE MY CROWN AND CAST IT DOWN
CASTLES BURNING
CASTLES BURNING
LEARN TO GROW, GROW TO BE
A FLESH AND BLOOD THEOCRACY
TO TAKE THE LOSS AND BEAR THE CROSS
RAISE THE KINGDOM
RAISE THE KINGDOM
BURN AWAY ALL IVE BEEN
TO RESURRECT THEOCRACY WITHIN

Rather, use me to be your hands down here a mirror to reflect your glory into hurting eyes and let me see the world with vision clear and not through selfishness and lies for if I am consumed with my own cares what right have I to speak the words

Thy Kingdom Come?

And if I am consumed with my own will, what right to pray Thy Will Be Done?

As all round me I see bleeding souls please give me strength to never pass them idly by and as the angry storm clouds start to roll may they see comfort in my eyes for just as you are full of love the same to others you have called me to be and by the covenant of grace above and below within our souls: theocracy

I TAKE MY CROWN AND CAST IT DOWN
CASTLES BURNING
CASTLES BURNING
LEARN TO GROW, GROW TO BE
A FLESH AND BLOOD THEOCRACY
TO TAKE THE LOSS AND BEAR THE CROSS
RAISE THE KINGDOM
RAISE THE KINGDOM
BURN AWAY ALL IVE BEEN
TO RESURRECT THEOCRACY WITHIN
