## **Above This**

## **Theory Of A Deadman**

They try to kill the president
They try to put a shiny bullet in his head
He leave a resident
He couldn't pay the bill and wound up dead

I am not above this
Who put these thoughts in my head, in my head?
I could grow to love this
Who put this gun in my hand, in my hand?

They want to know where the money went They'll break a bone for every dime you spent They'll cut your throat for the hell of it They're going to cover you in wet cement

I am not above this Who put these thoughts in my head, in my head? I could grow to love this Who put this gun in my hand, in my hand?

With lives in his hands
I see why he loves this
He thinks he's a god
Not even God is above this
Now you see why I couldn't love this

I am not above this
Who put these thoughts in my head, in my head?
I am not above this
Who put this gun in my hand, in my hand?
I could grow to love this
Who put this gun in my hand, in my hand?
