

All Or Nothing

Theory Of A Deadman

When i first saw you standing there
You know it was a little hard not to stare
So nervous when i drove you home
I know being apart is a little hard to bare.

Send some flowers to your work an home
So that i will have you in my arms again
We kissed that night before i left
And now thats something
I could never forget

You've got all that i need
Looking at all or nothing
Babe it's you and i
With you i know that
I am good for something
So lets go give it a try
We got our backs against the ocean
It's just us against the world
Looking at all or nothing
Babe it's you and i
Looking at all or nothing
Babe it's you and i

Lets take a chance go far away today
And never look back again
Since i said i loved you in Las vegas
It's never been the same since then

You've got all that i need
Looking at all or nothing
Babe it's you and i

With you i know
I am good for something
So lets go give it a try
We got our backs against the ocean
It's just us against the world
Looking at all or nothing
Babe it's you and i
Looking at all or nothing
Babe it's you and i

This is it nothing to hide
One more kiss never say goodbye
This is it babe your all mine
Looking at all or nothing
Babe it's you and i
I know that i am good for something
So lets go give it a try
We got our backs against the ocean
It's just us against the world
Looking at all or nothing
Babe it's you and i
With you i know that
I am good for something
So lets go give it a try

We got our backs against the ocean
It\'s just us against the world
Looking at all or nothing
Babe it\'s you and i
Looking at all or nothing
Babe it\'s you and i
Babe it\'s you and i
