## **Got Me Wrong**

## **Theory Of A Deadman**

Yeah, it goes away All of this and more of nothing in my life No color clay Individuality not safe

As of now I bet you got me wrong So unsure you run from something strong

I can't let go
Threadbare tapestry unwinding slow
Feel a tortured brain
Show your belly like you want me to

As of now I bet you got me wrong So unsure we run from something strong

I haven't felt like this in so long Wrong, in a sense too far gone from love That don't last forever Something's gotta turn out right

You sugar taste Sweetness doesn't often touch my face Stay if you please You may not be here when I leave

As of now I bet you got me wrong So unsure we reach for something strong

I haven't felt like this in so long Wrong, in a sense too far gone from love Strong, I haven't felt like this in so long Wrong, in a sense too far gone from love That don't last forever

Something's gotta turn out right
