

No Surprise

Theory Of A Deadman

Standard Tuning

Intro

Friday is when you left me
So I'll drink myself to sleep
And Sunday is when I wake up
Not to remember a thing

Ver 1

My friends all say the same thing
I don't know my new girl too well
(and I know) That all this lying gets to me
And no one seems to give a shit

(the way) She talks to every guy in the bar
(I guess) It should've raised some kind of alarm
Who'd ever think I'd go and end up
Like all the other guys that you gone and fucked

Chorus

Well it ain't no surprise
That you turn me on and leave

It ain't no surprise
That you turn it around on me
I don't know why
You won't give me what I need
It ain't no surprise
(Whoa) That that bitch is leaving me

Ver 2 (Same chords as Ver 1)

My friends are mean to me
They say I don't break up too well
(they know) That all this crying gets to me
And no one seems to give a shit
I know you want to, so go on and say it
Just go on and say it (x2)

Chorus

Leaving me (x3)

Friday is when you left me
So I'll drink myself to sleep
And Sunday I never woke up

Chorus

Whoa that that bitch is leaving me
