

# Not Meant to Be

## Theory Of A Deadman

It's never enough to say I'm sorry  
It's never enough to say I care  
But I'm caught between what you wanted from me  
And knowing if I give that to you I might just disappear

Nobody wins when everyone's losing

It's like one step forward and two steps back  
No matter what I do you're always mad  
And I, I can't change your mind

It's like trying to turn around on a one way street  
I can't give you what you want  
And it's killing me and I, I'm starting to see  
Maybe we're not meant to be

It's never enough to say I love you  
No, it's never enough to say I try  
It's hard to believe that there's no way out for you and me  
And it seems to be the story of our life

Nobody wins when everyone's losing

It's like one step forward and two steps back  
No matter what I do you're always mad  
And I, I can't change your mind

It's like trying to turn around on a one way street  
I can't give you what you want  
And it's killing me and I, I'm starting to see  
Maybe we're not meant to be

There's still time to turn this around  
Should we be building this up  
Instead of tearing it down  
But I keep thinking maybe it's too late

It's like one step forward and two steps back  
No matter what I do you're always mad  
And I, I can't change your mind

It's like trying to turn around on a one way street  
I can't give you what you want  
And it's killing me and I, I finally see  
Baby, we're not meant to be

It's like one step forward and two steps back  
No matter what I do you're always mad  
And I'm, baby I'm sorry to see  
Maybe we're not meant to be
