

60 Watt Bulb

Therapy?

(One, two)

(One, two, three, four)

I don't need a spotlight
I've got a 60 watt bulb
It shines a light on the music I like
It shines a light on me and my friends

I've got a 60 watt bulb
And a concrete coat
It shines a light on me and my friends
It shines a light on the music I like

I've got a 60 watt bulb
My spotlight shining above
I'm gonna shine a light, a light on my friends
I'm gonna shine a light, a light on my friends

I've got a 60 watt bulb
My music and a concrete coat
I've got a 60 watt bulb
Sealed in my sleeping floor

60 watt bulb
60 watt bulb
60 watt bulb
60 watt bulb

I've got a 60 watt bulb
It's my bright idea
Stand close and I'll steam up your glasses
Beam my vision up your grainy asses

I've got a 60 watt bulb
My spotlight shining above
I've got a 60 watt bulb
Yeah, 60 watt bulb

60 watt bulb
60 watt bulb
60 watt bulb
60 watt bulb, yeah

I've got a 60 watt bulb
