

# Bowels Of Love

Therapy?

Yeah, you took me  
Naive and ugly  
Into your festering heart  
And you poured Eros maggots down my throat  
Until I choked

There's nothing darker than love that's gone sour Satan's spit  
Nothing darker than love that's gone sour

Yeah, you took me  
Naive and ugly  
Into your festering heart  
And your rammed Eros maggots down my throat  
Until I choked

There's nothing darker than love gone sour Satan's spit  
Nothing darker than love that's gone sour Satan's spit

Out of the bowels of love  
Bowels of love  
Bowels of love  
Bowels of love  
Out of the bowels of love  
Bowels of love  
Bowels of love  
Bowels of love  
Love  
Yeah  
Love
