

Ecclesiastes

Therapy?

Everything under the sun (3x) Is absurd

Vain days spent as a shadow Trying to color the void

Without you to lose myself in I'd have given up

Everything under the sun (3x) Is absurd

Mere breath could be useless I'll strive to overcome

Without you to lose myself in I'd have given up

Everything under the sun (3x) Is absurd

Everything under the sun (3x) Is absurd
