

Evil Elvis

Therapy?

I lost my way
And coming back you never mess your haed
Now Im feeling so alone
Got to get you got to let you know

I could never have you
so I will always hate you
and I could never have you
so I hate you

Are you want my side
All these drugs have makes me paraniod
Now Im feeling insecured
You the only one who makes the worse

I could never have you
so I will always hate you
and I could never have you
so I hate you

I could never have you
so I will always hate you
and I could never have you
so I hate you

I could never have you
so I will always hate you
and I could never have you
so I hate you

Hate you hate you
