Therapy?

Trust us to fuck it all up
To fuck it all up when we get near the top
Trust us to fuck it all up
To fuck it all up when we get near the top

Yeah
I'm as happy as I can be
Yeah
I hate you more than you hate me

You don't look like a boy that sings
A boy that sings, a boy that sings
You don't look like a boy that sings
A boy that sings, a boy that sings

Yeah
I'm as happy as I can be
Yeah
I hate you more than you hate me

Sometimes there's a place without words
A place without words, and I wanna be heard
Sometimes there's a place without words
A place without words, I wanna be heard

Yeah
I'm as happy as I can be
Yeah
I hate you more than you hate me
Yeah
I'm as happy as I can be
Yeah
I hate you more than you hate me
I hate you more than you hate me
I hate you more than you hate me
Me
Me
