

Lose It All

Therapy?

Random radio
Static on tv
Losing count of
All the days and weeks

This spiral
Has worn a groove so deep
Can't climb out
Pathetic, painful need

Lose it all
Lose it all
Lose it all
Lose it all

I stand to lose it all

This drinking
Drowning inside out
It's so acute
Nights of broken glass

Lose it all
Lose it all
Lose it all
Lose it all

I stand to lose it all

Lose it all
Lose it all
Lose it all
Lose it all

I stand to lose it all
