

## No Sunshine

Therapy?

Everyday's the same  
Walking round in circles like my ankle's on a chain

No living, no good times  
No life, no daylight  
No living, no good times  
No life and...

No sunshine  
No sunshine

Depression is a thief  
It robs you of friends and self belief

No living, no good times  
No life and...

No sunshine  
No sunshine

No sunshine  
No sunshine  
No sunshine  
No sunshine

My heart is so heavy  
My peace has gone  
My heart is so heavy  
My peace has gone
