

## Panic

## Therapy?

Another government off the hook  
Another programme off the books  
Pass the buck  
And leave us fucked  
Distant and helpless  
Story of our lives  
White collar crime

Another government off the hook  
Lamb-like slaughter  
Adrenaline makes it taste better  
Pass the buck  
And leave us fucked  
Distant and helpless  
Story of our lives

Panic! Panic! Panic! Panic!  
White collar crime

This is progress  
Don't look down  
Pass the buck  
And leave us fucked  
Distant and helpless  
Story of our lives

Panic! Panic! Panic! Panic!  
White collar crime
