

Save Me from the Ordinary

Therapy?

Life has punched me drunk
And now I'm all blacked out
Try to break the crust of habit
That renders me blind

Trapped in a void
A godless home
Stalemate between holding on and
Letting go

Days unfold
Unsure, unsteady
Save me from the ordinary
Please

In modern times
A little man
In the grip of change
Another cog in the wheel of the world

Days unfold
Unsure, unsteady
Save me from the ordinary
Days unfold
Unsure, unsteady
Save me from the ordinary
Please
