

Save the Sermon

Therapy?

So helpless
So hopeless
Don't care less
Oh, what's it to you?

Your lost cause
Your project
My faith has left
Just let it slide

It's a ride, save the sermon
It's a ride, save the sermon

Our paths they
Don't cross much
You in your corner
I in mine

I like this
Space and distance
Don't waste your time
'cos I cherish mine
I cherish mine

It's a ride, save the sermon
It's a ride, save the sermon
It's a ride, save the sermon

It's a ride

It's a ride, save the sermon
It's a ride, save the sermon
It's a ride, save the sermon
It's a ride, it's a ride
It's a ride, it's a ride
It's a ride
