Save the Sermon

So helpless So hopeless Don't care less Oh, what's it to you? Your lost cause Your project My faith has left Just let it slide It's a ride, save the sermon It's a ride, save the sermon Our paths they Don't cross much You in your corner I in mine I like this Space and distance Don't waste your time 'cos I cherish mine I cherish mine It's a ride, save the sermon It's a ride, save the sermon It's a ride, save the sermon It's a ride It's a ride, save the sermon It's a ride, save the sermon It's a ride, save the sermon It's a ride, it's a ride It's a ride, it's a ride It's a ride
