

With the face like this I wont break any hearts
And thinking like that I wont make any friends

Screw that forget about that I dont wanna think about anything
like that
Screw that forget about that I dont wanna know about anything
like that

Ive got nothing to do hang around and get screw up on you
Ive got nothing to do hang around and get screw up on you

Your beauty makes me feel alone
I look inside but no ones home

Screw that forget about that I dont wanna think about anything
like that
Screw that forget about that I dont wanna know about anything l
ike that

Ive got nothing to do hang around and get screw up on you
Ive got nothing to do hang around and get screw up on you

Ive got nothing to do hang around and get screw up on you
Ive got nothing to do hang around and get screw up on you
