

Suing God

Therapy?

I'm suing God
For spiritual harassment and the costs
I'm suing God
Our business has been working at a loss

What if no one meets me on the other side?
Say goodbye to time-shares in paradise
What if no one meets me on the other side?
What if no one meets me?

I'm suing God
For breach of peace and advertising laws
I'm suing God
I'll get him on the Darwin get-out clause

What if no one meets me on the other side?
Say goodbye to time-shares in paradise
What if no one meets me on the other side?
What if no one meets me?

What if no one meets me on the other side?
Say goodbye to time-shares in paradise
What if no one meets me on the other side?
What if no one meets me?
