

# Teethgrinder

Therapy?

This feels good, nothing can stop me  
Every nerve pumping hard through me  
Every thought rushes at full speed  
This false smile grates through babyteeth

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth  
)  
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth  
)

Think to win and I'm up on it  
I can't lose, I've got nothing to  
Try me now, I'll try anything  
This is me, this is what I feel

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth  
)  
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth  
)

(Losing his mind and he feels it going)  
(Losing his mind)  
(Losing his mind and he feels it going)  
(Losing his mind)  
(Losing his mind)

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth  
)  
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth  
)

(I'm a teethgrinder, in my sleep I grind my teeth)
