Therapy?

It's like somebody died in here
It's like somebody died in here
The room is full of nervous laughter
The room is full of awkward glances
It's like somebody died in here
It's like somebody died in here
And I don't know if I should laugh or cry
And I don't know if I should stay or hide

Somebody give me a straight answer
Somebody give me a straight answer
Somebody look me straight in the face
Somebody look me straight in the eye
It's like somebodys died in here
It's like somebodys died in here
Somebody let me in on the joke
Somebody let me in on the secret

Honey, I'm a nervous wreck
Honey, I'm a nervous wreck

Aaaaa-aaaa-aaa-aaa, aaa-aaa-aaa...

Somebody give me a straight answer
Somebody give me a straight answer
Somebody look me straight in the face
Somebody look me straight in the eye
It's like somebodys died in here
It's like somebodys died in here
I feel like I'm gonna die in here
I feel like I'm gonna die in here

Honey, I'm a nervous wreck
Honey, I'm a nervous wreck

Aaaaa-aaaa-aaa-aaa, aaa-aaa-aaa...
Aaaaa-aaaa-aaa-aaa, aaa-aaa-aaa...

Bongo fury

Well, everybody's in on it but not me
Just plumb me in at the bar and tell me all the drinks are free
Well, everybody's in on it but not me
Just lead me to the bar and tell me all the drinks are free
Well, everybody's in on it but not me
Just lead me to the bar and tell me all the drinks are free
It's like somebodys died in here
It's like somebodys died in here
The room is full of nervous laughter
The room is full of awkward glances

Honey, I'm a nervous wreck
Honey, I'm a nervous wreck, yea!
Somebody, somebody, yea!
Somebody, somebody, yea!
Somebody, somebody, yea!
Somebody, somebody,

Somebody, somebody let me in on the joke, somebody
Somebody, somebody let me in on the joke, somebody
Somebody, somebody let me in on the joke, somebody
Somebody, somebody let me in on the joke, somebody
In on the joke, in on the joke, in on the joke
