

Addiction And Her Name

There for Tomorrow

Well, I was hoping I could crash the course you made out of imagination
Feel it? Do you feel it?
Cause I don't wanna get by, get by, get by.

If pleasure is the ultimate weapon
Then what's to say about all the pain?
With passion like a school in session
You better think up something clever to say
You look desperate
Befriending the "cool kids"
Cause how long will the popular take?
The tension's building up like a fever
You got to wonder when the hell it'll break

Well, I was hoping I could crash the course you made out of imagination
Feel it? Do you feel it?
Cause I don't wanna get by, get by, get by this time

If it's too early to find out how it works out for you
You might as well be showing up late
If it's you who's dishing out all the hot pursuit
I hope you're plannin' on having to wait
Cause all I wanna do is put a price on you
Count you like a number then continue
To do what I must, do what I must to get paid

Well, I was hoping I could crash the course you made out of imagination
Feel it? Do you feel it?
Cause I don't wanna get by, get by, get by this time

Cause I don't wanna get by, get by, get by
It's been lonely here lately
Here on the other side
When you're on the other side

So what's it like to be you?
So one of a kind
So, what it's like to be you on the other side?

Well, I'm still hoping I could crash the course you made out of imagination
Feel it? Do you feel it?
Cause I don't wanna get by, get by, get by

Cause I was broken till I put you back together from imagination
Hear me? Can you hear me?
Cause I don't wanna get by, get by, get by this time
Cause I don't wanna get by, get by, get by this time

I don't wanna get by, get by, get by
It's been lonely here lately
Here on the other side
