## **Black Sun**

Therion

Black Sun rising over mankind All the Slavegods will be sunblind Sorath shining through his new priest who proclaim the rise of The Beast Bear the Torch across the darkness and hold up the Spear of Destiny Hail Deggial, Sign of the Black Sun We will light the flames of victory, HAIL! Black sun burning the face of Earth and preparing the new gods birth Sorath coming to the black feast and speak the voice of the beast. Bear the Torch across the darkness and hold up the Spear of Destiny Hail Deggial, Sign of the Black Sun We will light the flames of victory, HAIL!
