Originally performed by Loudness You come to see the show Well, we're gonna rock and roll you Come and get on your seat We're gonna make you feel alright Hey, you wanna go crazy tonight! Let me hear you shout and scream You make me mad and wild Well, we're gonna rock and pile you We're gonna do our best The best kicks you in the head, alright Yeah, it's gonna get crazy tonight Let me hear you all go wild Rock and roll crazy night You are the heroes tonight Rock and roll crazy night You are the hero You come to see the show Well, we're gonna rock and shock you Come on get on your feet The sound hits you in the face, alright Ohh, let's get so crazy tonight Let me hear you rock and roll
