

# Dark Eternity

Therion

Human rights  
Has been lost  
Inside the walls  
Rules the pain  
Prisoners  
Live like swine  
Working slaves  
For the guards  
Fading screams descends  
Killing rape and death  
Is part of their lives  
They cannot appear  
Without the violence  
In darkness  
Eternal  
Fighter, rider of the human rights  
The killing decision is coming from behind  
Disinter the background of this obscene hell  
Discover the fear, the sickness and the death  
Slough of despond  
Deny the human rights  
Killing is a joy  
No - it will never stop  
Dark eternity  
Human rights  
Has been lost  
Inside the walls  
Rules the pain  
Prisoners  
Live like swine  
Working slaves  
For the guards  
Fading screams descends  
Killing rape and death  
Is part of their lives  
They cannot appear  
Without the violence  
In darkness  
Eternal
