Harlequin  
Hellequin  
Trivelin  
Arlecchino  
I'm harlequin  
Take off the mask  
In the feast of the night  
I'm going to appear  
Dancing with you in the labyrinth  
All through the night  
In the wild hunt  
And chasing your fear  
I am a Devil in Hell  
Dante could tell  
I am one of thirteen  
Harlequin, jester of Hell  
Harlequin  
Hellequin  
Trivelin  
Arlecchino  
I am the hellequin  
My mask is red and black  
(I'm) The sneaking devil  
The emissary  
I bring you to the play  
Into the masquerade.  
I am the devil.  
I am the winter dream.  
You are ensnared in the harlequinade  
Yes, ride the bull on Saturday night  
Wear triangular patches in the comedy.  
Hail, Capricorn and the Fairy Queen.  
Wear the black mask (of) Arlecchino  
Join the wild hunt (and) enter Saturn  
Hail the Elf-King.  
I'm harlequin  
Take off the mask  
In the feast of the night.  
I'm going to appear  
Dancing with you in the labyrinth,  
All through the night,  
In the wild hunt,  
And chasing your fear.  
Harlequin, jester of Hell.  
Malebranche, thirteen we are.  
Odin's followers.
