

Jotunheim  
Jotunheim, Call the Giants  
of Chaos, all the wolves of  
Jarnveden, all the darkness of Utgard!  
Call of Jotunheim!  
Beware the Giants, the Thurizas,  
beyond the border of everything.  
In Utgard the ancient live  
and they bear old memories  
You can hear them cry beyond Eli waves.  
Angerboda, call her name in the dark.  
Hail!  
Jotunheim, Call the Giants  
of Chaos, all the wolves of  
Jarnveden, all the darkness of Utgard!  
Call of Jotunheim!  
Listen to Mimer, come to his well,  
you watch the water of memory.  
If you listen to the Old,  
they will take you to the past.  
you may hear  
Manegarm howl again.  
Angerboda, watch her  
call on the wolves.  
Hail!  
Thursar! Jotunheimr!  
Resar! Jotunheimr!  
Jotnar! Jotunheimr!
